MOTION FOR DISCLOSURE OF DEFENSE EXPERT [P-19]

This Motion is submitted by the District Attorney for the 18th Judicial District.

1. During the hearing on August 30, 2012 the defense announced that they had a [redacted] sitting as an advisory witness. While scheduling the next hearing, the defense stated that their witness was not available until September 20, 2012. We do not know if they intend to call [redacted] another doctor or a different expert witness at the next court date. [redacted] is unknown to the People.

2. If the defense intends to call a doctor or expert witness at the hearing scheduled September 20, 2012 the People would request that they be provided with the name and curriculum vitae (CV) of the witness in advance of the hearing with adequate time to prepare cross examination.

3. Crim. P. 16(II) contemplates disclosures by the defense to the prosecution, subject to constitutional limitations and where the interest of justice will be served, in order to allow the prosecution sufficient meaningful information to conduct effective cross-examination.

4. The People request that the Court order the defense to provide the name and CV of any doctor or expert witness the defense intends to call at the hearing on September 20, 2012.

Respectfully submitted:
