To join a Virtual Courtroom, please click on the link below for the Judge/Courtroom in which your case is set. All participants can appear through video conferencing in a virtual meeting room.

If a party does not have video capability, they can call into the Virtual Courtroom by phone. If you are calling in, Dial the number in RED below and then press #.

All court hearings will be on the record. Except for the official court record, recording of any portion of a remote proceeding is **strictly prohibited absent a court order granting permission.** Any violation of this provision may result in the imposition of sanctions, including contempt of court.

For further information on how to join a hearing or download the WebEx App, please click here.
