

The Nurturing Father's Program

Taught by Father's for Father's!

"Dad's can too --Father's play a vital role in a child's development. They are equally as important as Mother's. The Nurturing Fathers Class allows a Dad to take a deep look at the morals and values to pass on to our kids for the better of our relationship with them. "

Jason Jess

**Celebrate the significant role
you play in the life of your child!**

Topics Covered include:

- Roots of Fathering
- Nurturing ourselves / Our Children
- Discipline without violence
- Playing with your children and balancing work
- A variety of other topics

"I'm a man of few words, soooo, LIFE CHANGING."
