

DISTRICT COURT, ARAPAHOE COUNTY, STATE OF COLORADO 7325 S. Potomac St. Centennial, Colorado 80112	▲ COURT USE ONLY ▲
PEOPLE OF THE STATE OF COLORADO v. JAMES EAGAN HOLMES, Defendant	Case No. 12CR1522 Division: 26
<p style="text-align: center;">ORDER REQUIRING ORAL ARGUMENT, CHANGING DEADLINE, AND PLACING LIMITS ON REPLY TO SUPPLEMENTAL RESPONSE (D-28 THROUGH D-32)</p>	

Pending before the Court are certain outstanding issues in motions D-28 through D-32. The Court orders the parties to confer and to schedule a one-hour hearing for oral argument between Tuesday, May 21, and Friday, May 24, on the defendant's contention that § 16-8-106(2)(c), C.R.S. (2012) is unconstitutional to the extent it prevents him from calling any psychiatrist or other expert witness to provide evidence of his mental condition at the sentencing hearing if he fails to cooperate with psychiatrists and other personnel conducting the Court-ordered sanity examination. Given that the People's supplemental response was less than

four pages long, and given further this Order requiring oral argument, the deadline for the reply brief shall now be the end of the day on Monday, May 20, 2013.

Further, the defendant's reply brief may not exceed 10 pages in length. Once the parties have conferred and agreed upon a date and time for a hearing, they are to file a notice of hearing. The Court will make itself available whenever the parties are available. The hearing will take place in division 201 unless the Court indicates otherwise.

Dated this 16th day of May of 2013.

BY THE COURT:

A handwritten signature in black ink, appearing to read 'Carlos A. Samour, Jr.', written over a horizontal line.

Carlos A. Samour, Jr.
District Court Judge
