CASE NUMBER:

12CR1522

DEFENDANT: JAMES EAGAN HOLMES

MOTION TO INTERVENE BY [REDACTED]
TO SUBMIT NEWLY DISCOVERED EVIDENCE &
FOR RIGHT TO BE HEARD UNDER CRIME
VICTIMS RIGHTS ACT

Comes now, [REDACTED], in pro-se, moves this honorable court to intervene in this James Holmes criminal case to present to this court newly discovered withheld evidence and to speak out about the truth that i believe in my heart that James Holmes is innocent. James Holmes must be released asap, James is being framed by Philip Anschutz, police chief Dan Oates, and the illuminati. I'm being forced against my will by District Attorney Carol Chambers to testify in this case as a victim. I am not a victim. I demand that my name be taken off [REDACTED] against James Holmes, he never shot me. District Attorney Carol Chambers & Police chief Dan Oates came to my house and told me they are going to arrest me for online prostitution and escort services and charity fraud, and to make a deal with them to pretend I was a victim in this case. Dan Oates then shot me, told me in places that were not life threatening. I dont want to lie under oath and pretend I'm a victim when i'm not and have my testimony contribute to James being convicted. I can't live with that. [REDACTED] is not a victim either. This case must be looked at by the F.B.I, Arapahone county is corrupt. Free James Holmes! Other suppose victims in this case are govt actors. They all must take polygraph tests. Please donate to my charity, the proceeds will go to James for commissary and to get him real attorneys. I demand congress get involved too!

Respectfully,

[REDACTED] 8/27/2012
