A **FREE** legal clinic for parties who have no attorney. By telephone, volunteer attorneys will call the phone number provided during regular clinic hours, to answer questions, help fill out forms, and explain the process and procedure for civil legal issues, including family law, civil litigation, property law, probate law, collections, appeals, landlord-tenant law, veteran's benefits, and civil protection orders.

The volunteer attorneys do not represent you just because they help you at this free clinic. This clinic is information only, and is no substitute for legal representation. You have the right to retain an attorney of your choice at any time, and are advised to do so.
