MEMORANDUM

April 15, 1992

TO: Chief Judges, District Administrators, Chief Probation Officers, and Clerks of Court

FROM: James D. Thomas

SUBJECT: Anniversary Pay Increases

A number of deficit reduction bills have been enacted by the legislature this year, including Senate Bill 92-68, which prohibits the awarding of anniversary pay adjustments to employees of the State personnel system for the next fiscal year. As a result, the Long Bill contains no funding for anniversary increases.

In conjunction with this enactment, Chief Justice Rovira, has issued Chief Justice Directive 92-02, which is attached. The directive suspends Colorado Judicial System Personnel Rule 13 which authorizes the anniversary pay adjustment. Many of your employees may already be aware of this action due to an article in "Colorado Stateline." Please make sure that all of your employees are aware of the Chief Justice Directive and its impact on their anniversary increase during FY 1993.

Pursuant to the act, the anniversary increases are reinstated for FY 1994, but no credit is allowed for FY 1993.
