COURT REMINDER PROGRAM OPT-IN/OPT-OUT, PHONE NUMBER UPDATE	

This Court participates in the court reminder program established pursuant to C.R.S. § 13-3-101(14). The program sends texts to defendants and juvenile participants to remind them of upcoming court appearances, notify them of unplanned court closures, and alert them when they have missed court. Participation in the program is voluntary, and you may opt-out at any time. Please choose and complete **one** of the following options:

Option 1 – Program Opt-In:

I, _____ (your name), request to opt in the court reminder program for this case, and I hereby provide the following mobile phone number solely for the purpose of the program:

(_____)
(PHONE NUMBER)

The program will provide reminders to the phone number as it is listed on this form. The Court and program are not responsible for any error in the phone number as provided on this form.

I understand that message and data rates may apply to texts I receive from the program.

I understand that I do not have a right to receive reminders from the program.

Reminders will only be sent for this case; if you wish to opt in the program for another case, a Court Reminder Program Opt-In/Opt-Out form must be completed and filed in the court location in which the case is located.

Option 2 – Program Opt-Out (only applicable if you previously opted in for this case):

I, _____ (your name), request to opt out of the text reminder program for this case. I understand that the Court will process my request as soon as possible, and I may receive additional texts from the Court’s vendor until my request is processed.

Option 3 – Phone Number Update (only applicable if you previously opted in for this case):

I, _____ (your name), previously opted in to the court reminder program for this case, and I wish to update my mobile phone number to the following:

(_____) _____
(Phone number)

I understand that the court reminder program will delete any phone number previously provided by me, and reminders will no longer be sent to that number.
