OBJECTION TO THE ACTIVATION OF AN INCOME ASSIGNMENT		

I declare that I am the Obligor in the above-named action and have received a copy of the Advance Notice of the Activation of an Income Assignment.

I object to this Notice for the following reasons: **(THIS OBJECTION MUST BE BASED ON A MISTAKE OF FACT, SUCH AS AN ERROR IN THE IDENTITY OF THE OBLIGOR OR IN THE AMOUNT OF SUPPORT OR ARREARS.)**

If I sign this objection, I understand I am to file this document with the Court and send a copy to the Obligee. I request a hearing pursuant to §14-14-111.5, C.R.S., and appropriate attorney fees and costs.

I understand that by filing this objection, the following procedures will be followed:

1. The Court must schedule and conduct a hearing within 42 days after the date the NOTICE was mailed.
2. The Court shall deny this objection if any reason other than a mistake of fact is used.
3. The sole issue at the hearing is limited to the mistake of fact stated above.

4. If this objection is based on the amount of arrears, the income assignment may be activated and enforced as to current support obligation, and the activation of the income assignment as to arrears will be stayed pending the outcome of a hearing on this objection.
5. If the Court denies my objection, the income assignment will be activated pursuant to §14-14-111.5 (4), C.R.S.
6. Attorney fees and costs may be awarded to the prevailing party.
7. If I do not object, the income assignment will be activated.
