APPLICATION FOR UNDERGROUND WATER RIGHTS IN THE DENVER BASIN AQUIFERS	

1. Name, address, email address, and telephone number of applicant(s) (if there are multiple applicants, and the space provided is not adequate to list all of the applicants, the names, addresses, telephone numbers and available email addresses must be provided as an attachment):

Name of Applicant	Address	Email address	Telephone Number

If multiple applicants are listed the following must be completed:

- All of the applicants listed have joint ownership of the parcel(s), and/or joint consent to withdraw the water underlying the parcel(s), which is/are the subject of this application.
- The Applicants own separate parcels of land, and/or have consent to withdraw the water underlying separate parcels of land, and request that this Court determine that Applicants have the right to withdraw all of the legally available groundwater lying below all of the subject parcels of land, through a single well or multiple wells constructed at any location on the subject parcels of land. In addition the applicant claims:
 - All of the parcels of land claimed in this application are contiguous (that is, no part of land claimed in the application is physically separate from the rest of the land), or
 - The parcels are non-contiguous but could satisfy Rule 11.B of the Statewide Nontributary Ground Water Rules (2 CCR 402-7) as demonstrated by the attached information (documentation of such claim must be attached). Please see the instructions regarding this Rule if the applicant has questions.

2. Background:

- A. Parcel description information (if multiple parcels are being described the information shown below must be provided for each parcel along with a map and legal description of the parcel, as an attachment)

The parcel of land consists of _____ acres, more or less, in _____ County (or Counties), located generally in Section(s) _____, Township(s) _____, Range(s) _____, of the 6th Principal Meridian (**attach a map**). **A legal description of the subject parcel of land is attached hereto** ("Subject Property")

- B. Parcel ownership:

The claim of Applicant(s) to the water underlying the parcel(s) described in 2A is based on ownership of the parcels: Yes No.

If **No**, the Applicant must provide a) the written consent from the owner(s) of the overlying land to the applicant, which consent includes a legal description of the land and identification of the aquifers for which consent has been given, and b) an instrument evidencing ownership of such land by such consenting owner(s) at the time such consent was granted.

- C. This application seeks a decree adjudicating all or part of the nontributary and not nontributary ground water in the Denver Basin aquifers underlying the Subject Property. Such aquifers may include the Upper Dawson, Lower Dawson, Denver, Upper Arapahoe, Lower Arapahoe and Laramie-Fox Hills aquifers; the actual aquifers will be those that are determined to be available underlying the Subject Property in accordance with the Denver Basin Rules (2 CCR 402-6).

The Applicant(s) seek to adjudicate the Denver Basin ground water underlying the Subject Property in all of the available aquifers, or

The Applicant(s) seek to adjudicate the Denver Basin ground water underlying the Subject Property in all of the available aquifers, except for the following aquifer(s): _____.

The Applicant(s) may seek to not adjudicate a portion of the water in one or more of the claimed aquifers. If the Applicant(s) desire to not adjudicate a portion of the Denver Basin ground water the aquifers and amounts, in acre-feet per year, sought to be excluded from the decree must be specified

_____.

- D. Applicant certifies (check one as appropriate):

That Applicant(s) own the Subject Property free and clear of all liens and encumbrances and that no other person or entity has a financial interest in the Subject Property. Accordingly, Applicant certifies compliance with the notice requirements of § 37-92-302(2), C.R.S.

All record owners of the Subject Property not listed as Applicants herein, and every person who has a lien or mortgage on, or deed of trust to, Applicant's Property, will be notified of the filing of this Application by certified or registered mail, return receipt requested, no later than 14 days after the filing of this Application. Complete and file with the Court the attached Certificate of Notice as evidence that the required notices were given.

- E. There are _____ wells located on the property. Those wells are permitted/registered under well permit no(s).

_____.

- F. The application is seeking to adjudicate the existing well(s) located on the property (If this application has more than one applicant, owning or claiming consent for separate parcels of overlying land, the existing wells cannot be adjudicated under this application): Yes No.

An Exhibit 1 must be completed and provided for each well that will be adjudicated, if the Applicant is not seeking to adjudicate a well, Exhibit 1 is not required.
