The Court has read the Defendant's Motion to Seal Criminal Conviction Records, examined the record, reviewed the current copy of the Defendant's criminal history record and, if applicable, considered any evidence presented at a hearing and any objections or responses filed in opposition to the Motion. The Court hereby finds that it is appropriate to grant the Motion pursuant to § 24-72-706, § 24-72-707, or § 24-72-708 C.R.S, as follows:

The Motion is for the sealing of a petty offense or petty drug offense, and Defendant's criminal history documents that the Defendant has not been convicted of a criminal offense since the date of the final disposition of all criminal proceedings against the Defendant or since the date of Defendant's release from supervision, whichever is later.

The Motion is for the sealing of a class 1, class 2, or class 3 misdemeanor, a drug misdemeanor, a class 4, class 5, or class 6 felony, or a level 2, 3 or 4 drug felony, the District Attorney did not object to the Motion, the offense being sealed is not a crime enumerated in § 24-4.1-302(1), and Defendant's criminal history documents that the Defendant has not been convicted of a criminal offense since the date of the final disposition of all criminal proceedings against the Defendant or since the date of Defendant's release from supervision, whichever is later.

The Court finds that the harm to the privacy of the Defendant or the dangers or unwarranted, adverse consequences to the Defendant outweigh the public interest in retaining the records, and Defendant's criminal history documents that the Defendant has not been convicted of a criminal offense since the date of the final disposition of all criminal proceedings against the Defendant or since the date of Defendant's release from supervision, whichever is later.
