Steps To Filing Your Case

Step 1: Obtain arrest and criminal records.

In order to file a Motion to Seal Criminal Conviction Records, you must obtain the proper case report numbers, court case numbers, and arrest numbers from the original arrest or criminal records. This information is necessary to ensure that your case is sealed properly, if ordered by the Court. A fee may be required to obtain this information. The records may be found in the following locations:

- Court Records. County and district court files are available from the clerk of court's office for each respective court.
- Arrest or Police Records. Contact the arresting agency. Their files have the arresting agency and arrest numbers.

Step 2: Obtain a Current Verified Copy of the Defendant's Criminal History

A verified copy of your criminal history report must be filed with the Court at the time you file the Motion, or no later than 10 days after you file the Motion with the Court. The criminal history records check must be conducted no more than 20 days before you file your paperwork with the Court asking to seal your records. The cost of obtaining the criminal history report is your responsibility. You may obtain the report as follows:

- Criminal history reports can be accessed immediately by using the web-based system <https://www.cbirecordscheck.com/>. You will be charged per result viewed.
- If you are unable to access the Internet, please call the Colorado Bureau of Investigation (CBI) at 303-239-4208 for additional information. CBI is located at 690 Kipling Street, Suite 3000, Lakewood, CO 80215.

Step 3: Complete the appropriate forms.

- Motion to Seal Criminal Conviction Records (JDF 612).**
 - Enter the Defendant's name in the case caption.
 - All applicable sections must be completed before the case is filed.
 - You are responsible for specifying with a checkmark each criminal justice agency that has the Defendant's criminal arrest and conviction records. Do not include the Federal Bureau of Investigation (FBI). It is the Colorado Bureau of Investigation's (CBI) responsibility to contact the FBI if there is a corresponding FBI record.
 - Specify the charge(s) for any criminal conviction record or court case file you want sealed. You may obtain this information from the arresting agency and the Court Clerk's office.
 - You must enter the case number(s) of all the files you want sealed. If you are requesting multiple cases to be sealed, a separate filing fee for each case is required.
 - List the offense you are motioning to seal as well as the date you were sentenced and the date you were released from supervision, if applicable.
 - Attach current verified criminal history report (or it must be filed with the Court no later than 10 days after the Motion is filed).
- Order Denying Motion to Seal Criminal Conviction Records (JDF 613).**
 - Complete only the caption on this form.
 - The Court will complete this form only if your Motion is denied.
- Order and Notice of Hearing to Seal Criminal Conviction Records (JDF 614).**
 - Complete all portions of the form.
 - The Court will send this Notice to you if a hearing is set.
- Order to Seal Criminal Conviction Records (JDF 615).**
 - Complete all portions of the form.
 - You must indicate the same agencies on the Order as you did on the Motion.
 - The Judge or Magistrate will sign the Order if your Motion is approved.

Step 4: You are ready to file the case with the Court.

Provide the Court with the documents completed as described in Steps 1 - 2 above and pay the filing fee. If you are requesting to seal multiple cases, you must file a separate Motion to Seal and pay a separate filing fee for each case.

- Please Note:** You are required to provide a copy of your Motion to Seal to the prosecuting attorney. Make the appropriate number of copies.

Step 5: Court Review

The Court will review the Motion and supporting documents to determine if a hearing will be set, if the Motion will be denied without a hearing, or if the Motion will be granted without a hearing.

- If the Motion is denied the Court will send you an Order Denying the Motion (JDF 613). This Order will specify the reasons for the denial of the Motion and no hearing will be set.

- If the Court decides to set a hearing, the Court will send you the Order and Notice of Hearing (JDF 614).
- If the Court grants your Motion (with or without a hearing), the Judge or Magistrate will sign JDF 615 (Order to Seal Criminal Conviction Records). See Step 7 below for information on what you need to do with this Order once you receive it.

Step 6: Be prepared for the hearing.

If the Court conducts a hearing, you may be asked questions about the request for sealing criminal conviction records and any objections filed, if applicable.

- The Court will either grant or deny the Motion to Seal Criminal Conviction Records.

Step 7: If Your Request is Approved.

After the Order to seal your records is entered (JDF 615 – Order to Seal Criminal Conviction Records), it is your responsibility to notify the Colorado Bureau of Investigation (this agency will require a fee to seal your records <https://cbi.colorado.gov/>), and all agencies listed on the Order, by mailing each agency a copy of the signed Order.

Your failure to notify the agencies may result in your criminal conviction record not being sealed. You do not need to notify the District or County Court, but you must notify the Municipal Court Clerk if Municipal Court arrest and conviction records are being sealed.

- Approximately 30 days after you send a copy of the Court's Order to the agencies listed, your record will be sealed by the agencies.
