Media Day for Media Kids: School is out, but the Learning Center is open at the Ralph L. Carr Colorado Judicial Center

- WHO:** Colorado journalists and their families – especially students
- WHAT:** Media Day in the Learning Center of the Ralph L. Carr Colorado Judicial Center
- WHEN:** Monday, June 10, 2013 – 9 to 11 a.m. – Open house
9:30 a.m. – Remarks by Chief Justice Michael L. Bender and Learning Center Committee Members
- WHERE:** Ralph L. Carr Colorado Judicial Center
2 E. 14th Ave.
Denver, CO 80203
- DETAILS:** The Colorado Judicial Branch and Learning Center Committee cordially invite Colorado journalists and their families to a private showing of the Learning Center in the Ralph L. Carr Colorado Judicial Center.

A team of justices, judges and staff spent more than two years designing the center's interactive exhibits that engage young and old alike. Several exhibits, along with a short movie, task visitors with considering what life would be like if there was no rule of law and nothing to guarantee our freedoms.

The learning center's other exhibits show visitors what it's like to be a judge by allowing them to consider the evidence and decide the outcomes of cases, and to hear from current and former justices and judges who share their real-life experiences from the bench.

Visitors can also view a timeline of Colorado's judicial milestones and learn about the history of the court system. And, of course, what courthouse learning center would be complete without the opportunity to play the part of an attorney or juror on a case?
