3. The facts in support of the probable cause for the warrantless arrest of the above name suspect are as follows:

**PROBABLE CAUSE**

On 03/12/2014 at around 0628 hours Ryan Cole Stone DOB: [REDACTED] was at Bradley Petroleum #25 located at 1700 Main St, Longmont, CO 80501. After exiting the store Stone got into a red 2008 Ford Edge bearing Colorado License Plate number 201RPS. That vehicle was registered to Martha Rodriguez and Raul Chavarria Oliver. Inside the vehicle was Allan Damian Chavarria-Rodriguez DOB: [REDACTED]. The Ford was left running with the keys in the ignition. Stone took that Ford without permission and with Allan still in the vehicle. This information was obtained from a Longmont P.D. report (14-1986) authored by Officer Collin Jessen.

An AMBER alert was issued and the Ford was located by Troopers with the Colorado State Patrol (CSP) traveling southbound on Interstate Highway I-25 (I-25). The troopers began to pursue the vehicle while on I-25 but quickly discontinued the pursuit due to safety concerns for the juvenile occupant.

Stone was driving at high rates of speed, passing vehicles on both the left and right breakdown lanes of the highway. Stone continued driving in this manner while he was being pursued, and continued driving in this manner after the pursuit was terminated. News helicopters were following and filming the Ford as he drove on I-25 until he was apprehended in Douglas County.

The Ford exited onto Interstate Highway I-76 and began traveling eastbound. He was still traveling at high rates of speed. The Ford exited I-76 at Bromley Ln where it forced a 2011 tan Kia minivan bearing Colorado License Plate number 629YWL to stop on the offramp. Stone exited the Ford, opened the driver's side door of the minivan, and pulled the driver / owner of the minivan (Sungsook Kim DOB: [REDACTED] out of the vehicle. The front passenger, Yejin Won DOB: [REDACTED] also exited the vehicle before Stone drove off in the minivan. There were no other occupants in the minivan when Stone drove off in it. I saw this occur in the helicopter news video. The details concerning the location and victims were given to me by Cpl Monce Portillo with the Brighton Police Department.

The minivan then got back onto I-76 driving westbound in the eastbound lanes of traffic. He continued traveling at high rates of speed passing vehicles on both breakdown lanes. He is also seen on video narrowly missing multiple vehicles that were traveling eastbound on I-76.

Eventually the minivan got onto southbound State Highway E-470 (E-470). Marked police units with the CSP and other agencies were following the minivan at a safe distance but were not in pursuit while it was on E-470. The minivan entered Douglas County while traveling southbound on E-470 near Gartrell Rd and remained in Douglas County throughout the rest of the incident. Despite the fact that he was no longer being pursued Stone continued driving at high rates of speed, passing cars on both the left and right breakdown lanes. As the minivan passed Chambers Rd it struck CSP Trooper Bellaman Hee who was standing in the breakdown lane on the north side of the highway trying to deploy stop sticks. I saw this and everything that occurred from this point on in the helicopter video.

The minivan was initially in the number 2 lane before hitting Trooper Hee. It made an abrupt lane change through the number 3 and 4 lanes into the breakdown lane just before it struck the trooper. Per DCSO Deputy Rolf Widmer and CSP Major S.J. Garcia the minivan did not make any attempts to avoid Trooper Hee. There were also 2 marked police units parked on the side of the highway with their emergency lights activated near where the trooper was struck. Deputy Widmer estimated the minivan's speed at 100 mph in a posted 75 mph zone. An SBI form was signed by Dr. Schuett at Littleton Adventist Hospital for [REDACTED] "of Trooper Hee.

Per Deputy Wider Trooper Hee was wearing a standard issue Colorado State Patrol uniform with a badge on his chest and patches on his sleeves.

The minivan continued westbound on E-470 and exited onto Peoria St. As the minivan exited onto Peoria St it struck the front driver's side quarter panel of a silver 1999 BMW sedan bearing Colorado License Plate number 904MHS registered to Alexander Lopez that was parked on Peoria St at the stoplight facing south. Stone exited the minivan gestured to the driver of the BMW, got back into the minivan, and drove off southbound on Peoria St.

As the minivan approached Belford Ave it repeatedly rear-ended a black 2008 Nissan Centra bearing

Colorado License Plate number 3 SHI that was also traveling southbound on Peoria St. The minivan turned westbound onto Belford Ave. Once it was westbound on Belford Ave it struck the rear passenger side of a silver 2011 Toyota sedan bearing Colorado License plate number 908WTW. That vehicle was registered to Ngoc Zune Thi Wharton at [REDACTED] in Aurora. The Toyota was also traveling westbound. This caused the Toyota to lose control before ultimately coming to a stop.

Stone exited the minivan, pulled the driver of the Toyota (Ngoc Zune Thi Wharton DOB: [REDACTED] out of the car, and drove off in the Toyota. The Toyota made a u-turn and began traveling eastbound on Belford Ave before turning southbound onto Peoria St. The Toyota continued southbound on Peoria St until it approached the intersection of Lincoln Ave.

As the Toyota approached the intersection it narrowly missed a marked patrol unit who had its emergency lights activated and then entered the intersection using the eastern most left turn lane. As the Toyota entered the intersection it struck a blue 2008 Toyota Camry bearing Colorado License Plate number 086ZZS. That vehicle registered to Stashia Rader that was traveling westbound on Lincoln in the number 3 lane. That vehicle slid into a blue 2012 Subaru Outback bearing Colorado License Plate number 879NNC registered to Derek Kearns that was also traveling westbound on Lincoln Ave. The 2008 Camry also struck a black 2011 Subaru Outback bearing Colorado License Plate number 837WWG registered to Stephen Green Holtz and a blue 2002 Mazda SUV bearing Colorado License Plate number 951WFC registered to Joshua and Todd Burmaster.

After all the vehicles came to a stop Stone got out of the Toyota and tried to open the driver's door of the black Subaru Outback being driven by Greenholtz. The marked police unit, driven by Deputy Brian Benns, pulled in front of the black Subaru Outback to block it in.

Stone then ran northwest from that intersection across the parking lot of the Wells Fargo Bank. He continued running northwest until he was in behind the Caribu Coffee located at 12624 Washington Ln, Englewood, CO (Unincorporated Douglas County). He then tried to climb a fence into the apartment complex located on the north side of Caribu Coffee. When he was unable to climb the fence, he surrendered to the responding deputies.

As of the time of this report I have no reports of injuries to any of the occupants of vehicles that Stone hit or to the drivers of the vehicles Stone stole.

I looked up the Ford's value on Kelley Blue Book shows an approximate value of the 2008 Ford Edge in good condition at \$10,000.
