Key: *Successful Terminations*: This number includes the state successful terminations.

*Unsuccessful Terminations*: This column includes revocations and absconsions. A revocation is defined as a termination from monitoring for a technical violation, new misdemeanor, or new felony. Absconcion refers to probationers who become fugitives and are no longer compliant with monitoring.

*Total Terminations*: In this table only, the total terminations include: revocations, absconsions and successful terminations from probation supervision. Additional types of monitoring closures are included in Table 103.

Note: Percentages may not total 100 percent because of rounding.
