

TABLE 39

FY 2010
Colorado Adult Probation
State Regular and Non-DUI/DWAI Private Combined
Successful/Unsuccessful Terminations

Note: Because adult state and private programs are reported separately, this summary table was created to identify termination rates for all non-DUI adult probationers. A similar table was not created for juveniles because they are not supervised by private.

Key: *Successful Terminations*: This number includes the state successful terminations and private (Non-DUI/DWAI) successful terminations.

Unsuccessful Terminations: This column includes those probationers who were revoked or absconded. A revocation is defined as a termination from probation supervision for a technical violation, new misdemeanor, or new felony. A revocation to Community Corrections is NOT included in this section. These offenders are not included on this table as they are still under the supervision and jurisdiction of probation. Absconded refers to probationers who became fugitives and are no longer compliant with probation supervision.

Total Terminations: In this table only, the total terminations include: revocations, absconders and successful terminations from probation supervision. Additional types of probation closures are included in Table 48 and Table 62.

Note: Percentages may not total 100 percent because of rounding.
