(a) Felony complaints represent the number of criminal cases, docketed as (CR), that begin in county court. The processing of felony cases varies between locations. The counties processing CR cases hear advisements. Some counties do preliminary hearings in county court before moving the case to district court for completion of the felony process. The case can also be reduced to a misdemeanor and remain in county court. The cases retain the same docket number in either county or district court.

(b) Does not include felony complaints.
