

**FY 2010**  
**Colorado State Probation Intensive Programs**  
**Sex Offender Intensive Supervision Program (SOISP)**  
**Successful/Unsuccessful Terminations**

*Note: Approximately one-half of the SOISP probationers are serving indeterminate sentences (minimum of 10 years). Therefore, it is important to consider terminations within the context of the active SOISP caseload. Many more probationers are being successfully (1,301) supervised on SOISP than are terminating unsuccessfully (215) as reflected below in the 6/30/2010 active caseload and termination table.*

**Key:** *Successful Termination:* This category includes those probationers that terminate from probation while on SOISP or transition to regular supervision probation.  
*Unsuccessful Terminations:* This column includes SOISP probationers who were revoked or absconded. A revocation is defined as a termination from SOISP for a technical violation, new misdemeanor, or new felony.  
 A revocation to Community Corrections is NOT included in this section. These offenders are not included on this table as they are still under the supervision and jurisdiction of probation.  
 Absconder refers to probationers who become fugitives and are no longer compliant with probation supervision.

*Total Terminations:* In this table only, the total terminations include: revocations, absconders and successful terminations from probation supervision. Additional types of SOISP discharges are included in Table 86.

<sup>1</sup>Sex Offender Intensive Supervision Probation: The Non-SOISP sex offender population is included in Regular Adult Probation.

Note: Percentages may not total 100 percent because of rounding.
