

Spanish Speaking Mediators

Independent Contractors Approved by the Colorado Office of Dispute Resolution

The best option for court-ordered mediations involving limited English proficient (LEP) individuals is a bilingual mediator who has demonstrated through, approved testing,¹ the language skill required to conduct mediations in a language other than English. If a bilingual mediator is not available, an approved language interpreter will be used to provide the required language access throughout the mediation process. For a list of court-approved interpreters, please visit the [Language Interpreter Directories](#)²
