

Recovery Court Phase 2 Application

(must be turned in to Probation Officer one week before eligible)

Phase 1 (*Minimum of 30 days*)

DATE ELIGIBLE TO MOVE PHASES: _____

- During Phase 1 you must complete the following to advance to Phase 2. Please write in the date that you completed each of the following:

DATE ENTERED PHASE 1:	Yes	No	N/A
Attend of your treatment			
Attend regular appointments with probation			
30 days of urine screens with no substances tested for detected			
Complete any court responses ordered			
Obtain stable housing with verification			
Set up a payment plan with the collections investigator			
Meet the goals of your probation case plan			
Meet the goals of your treatment plan			
Application for Phase 2 approved by team			

You will be assessed for ability to contribute towards treatment services by your Probation Officer, and may be responsible to pay for a portion of your treatment services.

In order to progress to Phase II, you must be in compliance with treatment requirements and demonstrate a minimum of 30 consecutive days of sobriety with no positive, missed, tampered, or dilute drug screens.

Dilute UAs are treated as positive UAs in this program, and will result in a loss of sobriety days as well as a sanction from the Court.
