

Discounted/Unbundled Services Attorney List

Below is a list of attorneys that may be willing to offer discounted and/or unbundled fees for their legal services. Some of these attorneys may consider a person's financial situation when they assess legal fees for a particular service or case.

***Unbundled legal services are when someone only hires an attorney for what they need, such as the attorney writing a motion or attending one hearing. The person only pays for the attorney services they need and then person does the rest of the work on their case by themselves. ***

Neither the Pro Se Center, nor the Denver District Court endorses any attorney, nor does any entity make any representation as to the quality of work performed by any of them. Each attorney has voluntarily added their name to this list and have represented that he/she is a licensed attorney in good standing with the Colorado Supreme Court. We encourage you to visit the Colorado Supreme Court website to review the available information for the individual attorney. Please be aware that these attorneys are not required to accept your case. Denver District Court suggests you contact multiple resources before hiring any attorney.
