**Democrat election fraud is already in the works.**

**Pennsylvania and Kentucky report incidences of destruction and duplication of hundreds of thousands of ballots.**

According to [Top Trade Guru](#):

*Pennsylvania has rejected hundreds of thousands of applications for mail-in ballots ahead of the 2020 election.*

**P** As **reported by ProPublica** on Friday, about 372,000 ballot applications were denied, mainly because many of them, about 90 percent (334,000 ballots) were duplicates. Overall, according to the publication, one out of every five requests for mail-in ballots were refused. The state predicts that a record number of ballots would be submitted by mail.

Meanwhile, Kentucky reports that bins of ballots were found discarded in a dumpster. **Twitchy reports:**

**It's time for every American to keep their eyes open for Democrat voter fraud. If you see anything suspicious, capture it on your iPhone. Make sure to capture faces or**

# licenses, if available. Everyone can help to stop voter fraud.

## Matthew McConaughey

discussed the possibility of running for Texas Governor!

### Do you think it's a good call?

Yes

No
