Millions of dollars must be raised to defend the Republic as these lawsuits continue to be filed to ensure victory.

In *Bush v. Gore* the Supreme Court recognized that once vested in the people, the right to vote is fundamental, and one source of its fundamental nature lies in the equal weight of each vote.

This fundamental right to equal weight was not defended or actualized in this election. There is evidence of ballots being discarded, hundreds of thousands of ballots appearing out of thin air, ballot harvesting, and a lower standard of verification for some mail-in ballots. This is voter fraud and has infringed upon Americans' sacred right to vote and for their votes to carry equal weight.

The case will seek to block the certification of the election results so that justice can be done. We need to stop the steal in its tracks.

The future of our Republic is at stake. The left, the media, and a complicit Republican Establishment are attempting to steal this election through a staggering voter fraud operation. The time to fight is now!

“A Republic...if you can keep it.”

Benjamin Franklin
