PEOPLE OF THE STATE OF COLORADO, vs. Defendant: LETECIA STAUCH	Court Use Only <hr/> Case Number 20CR1358 Division A Ctrm:
ORDER RE EXPANDED MEDIA COVERAGE	

This matter comes before the Court pursuant to a Request for Expanded Media Coverage filed by KOAA-TV for the advisement potentially scheduled for March 5, 2020 at 1:30 p.m. The Defense filed an objection which the Court has considered.

The Court has considered the factors set forth in Chapter 38, Rule 3 of the Colorado Supreme Court Rules and FINDS there is no reasonable likelihood that expanded media coverage would interfere with the rights of the parties to a fair trial. The Court also FINDS there is no reasonable likelihood that expanded media coverage would unduly detract from the solemnity, decorum and dignity of the court and expanded media coverage would not create adverse effects that would be greater than those caused by traditional media coverage. The Court GRANTS the request for expanded media coverage.

The limitations set forth in "Conditions for Coverage" in Rule 3 apply subject to any specific policy set forth by the El Paso County Criminal Justice Center. Further, recording will be solely of the advisement in this case and will take place from the lobby of the El Paso County Criminal Justice Center.

This Order applies only to the Request for Expanded Media Coverage filed KOAA-TV for the advisement potentially scheduled for March 5 or March 6, 2020 and does not authorize any other entity to engage in Expanded Media Coverage. This Order does not authorize any entity to engage in Expanded Media Coverage for any proceeding other than the date of the proceeding specified herein. Any entity desiring Expanded Media Coverage of any proceeding other than that referenced herein must submit a separate request for that specific proceeding.

Done this 4th day of March, 2020.
