ORDER DENYING EXPANDED MEDIA COVERAGE	

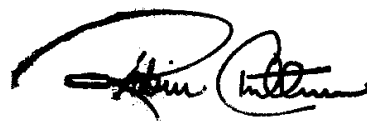

A request for expanded media coverage has been filed by The Associated Press for the January 11, 2023 court date in this case.

This Court is responsible for the orderly disposition of this case, preserving the processes for conducting a fair hearing, ensuring the security of those participating in and observing the hearing, and providing a neutral and unbiased environment. This Court hesitates to take action regarding something as important as expanded media coverage without input from both defense counsel, the County Attorney, and potentially the Deputy District Attorney assigned. There has been no opportunity for that discussion.

The request for expanded media coverage for the January 11, 2023 court appearance is denied.
