**5. Other Parties Response**

*Skip this section in criminal cases.*

I checked to see if the other parties agree with my request. They:

- Agree.                       Disagree.                       Did Not Respond.  
 Other: The DA's office will not contest this motion

**6. My Request**

I want the Court to:

Unseal the arrest warrant affidavit and application for Jon Halford and Carie Halford

**7. Discussion**

The Court should grant my request, because:

This is a matter of high public interest, and that makes the public's right to these documents stronger. These are typically public documents, and we are asking for them to be treated the same as almost all of the other cases. The public interest in the case does not mean the public has less of a right to information, that is typically public.
