In support of a request for the issuance of a Search Warrant for the business identified as Facebook Inc., located at 1601 Willow Rd., Menlo Park, CA 94025, to produce records as listed, specifically in Attachment 'B'; your affiant, Detective J. Schiffelbein 3343D, a Police Officer for the Colorado Springs Police Department and so employed for over 9 years and now currently assigned to the Violent Crimes-Homicide Unit, state under oath that I have personal knowledge of the following facts:

On November 27, 2015, at approximately 11:30 a.m., the Colorado Springs Police Department received a call for service regarding an active shooter at the Planned Parenthood building, 3480 Centennial Blvd. this location is within the City of Colorado Springs, County of El Paso, State of Colorado.

Upon receiving this call for service, numerous units responded from the Colorado Springs Police Department, as well as the University of Colorado at Colorado Springs Police Department and the El Paso County Sheriff's Department. The initial reports of shots fired indicated there were multiple shots fired; reportedly over 20 being fired from an automatic weapon and that at least one victim had been shot. The initial CSPD and UCCS Officers responded to the scene and immediately came under fire from the area of the Planned Parenthood building.

During the active shooter response by the Colorado Springs Police Department and El Paso County Sheriff's Office, and University of Colorado at Colorado Springs Police Department, multiple officers were shot and sustained injuries. Officer [REDACTED] of the Colorado Springs Police Department was shot in the left hand. Officer [REDACTED] with the Colorado Springs Police Department Tactical Enforcement Unit was shot in the left leg. Officer [REDACTED] with the Colorado Springs Police Department sustained a gunshot wound to the upper left arm. Sgt. [REDACTED] with the El Paso County Sheriff's Department sustained a gunshot wound to the right lower leg.

Officer [REDACTED] with the University of Colorado at Colorado Springs Police Department was also shot and he succumbed to his injuries at the scene.

Additionally, when officers were able to enter the building, the body of [REDACTED] DOB: 02/09/86 was located deceased within the front doorway of the Planned Parenthood building. [REDACTED] DOB: 12/22/79 was located deceased in the parking lot of the Planned Parenthood building.

Autopsies were performed by the El Paso County Coroner's Office on 11/30/15 on [REDACTED] and Officer [REDACTED]. At the conclusion of the autopsies the cause of death for all three individuals was determined to be gunshot wounds and the manner to be homicide.

In addition to the three homicide victims and the officers being shot, there were numerous other officers that were shot at and numerous vehicles in the area of the Planned Parenthood building that were impacted by projectiles fired from the immediate area of the Planned Parenthood building. These vehicles included both patrol vehicles, Tactical Enforcement Unit vehicles (SWAT) civilian vehicles parked in the parking lot.

Sgt. [REDACTED] with the Colorado Springs Police Department was acting as a sniper for this response and was setting up in the position to the south of the Planned Parenthood. As he was setting up his position as a sniper, to get a view into the Planned Parenthood building, he came under fire and projectiles impacted a curb line directly in front of where he was positioned.

During the course of this active shooter investigation, Tactical Enforcement Unit Officers reported that the suspect was inside of the Planned Parenthood building and had shot at propane tanks that he had outside of the building next to a vehicle.

The active shooter situation continued for several hours and Tactical Enforcement Unit Officers located numerous witnesses and civilians hiding throughout the building. As they were evacuating these individuals from the building, they heard a male voice call out that he was ready to give up and a male later identified as Robert Lewis Dear Jr. DOB: 04/16/55 surrendered to Tactical Enforcement Unit Officers.

As Robert Dear Jr. was being placed into a patrol car, he began yelling out statements about the killing of babies and no more baby parts.

Robert Dear Jr. was interviewed by Detective Schiffelbein with the Colorado Springs Police Department and Detective S. Mackey with the El Paso County Sheriff's Dept. During this interview, Robert Dear Jr. told detectives that he had gone to the Planned Parenthood location because he was upset with Planned Parenthood for performing abortions and the selling of baby parts. Robert Dear Jr. stated he had entered the building with four SKS rifles, after shooting somebody in the parking lot and also shooting up a car in the parking lot as well.

During the course of this interview with Robert Dear Jr., he had told Detective Schiffelbein that he had driven to Colorado Springs from Woodland Park on 11/27/15 and had to stop several places to ask for directions and the address of the Planned Parenthood building. Robert Dear Jr. indicated that he eventually obtained the address for the Planned Parenthood building after making a telephone call to Planned Parenthood. Robert Dear Jr. stated he had utilized phone books at multiple locations in Colorado Springs and had torn the page containing the Planned Parenthood information out of one phone book. He stated that after receiving this address, he looked at a map that he had in his pickup which he stated was a 2014 Toyota Tacoma and then drove to the Planned Parenthood building. Robert Dear Jr. told Detective Schiffelbein that in addition to the four SKS rifles he had inside the building, there were at least four other guns within the Toyota Tacoma; two handguns, a shotgun and a rifle.

Robert Dear Jr. also told Detective Schiffelbein that he had brought the propane tanks to the scene with the belief that when he shot them they would explode. Robert Dear Jr. advised that he had in fact shot the propane tanks during this incident hoping they would explode but they did not.

Robert Dear Jr. continued on by saying that while he was inside of the Planned Parenthood building, he saw a police officer approaching the building with a gun and because of the tint on the window; the officer could not see him. When asked, Robert Dear Jr. stated he knew this was a police officer because the officer was in uniform at the time. Robert Dear Jr. stated that he then shot the police officer through the window. Based on the information provided by Robert Dear Jr., it is believed that this is Officer [REDACTED]

Robert Dear Jr. advised that he had also shot at other officers as they arrived on scene. At the time Robert Dear Jr. was interviewed, he had an injury to his right hand and an injury to his lower abdomen which he said was from being shot by officers. He indicated that he was wearing a homemade ballistic vest during the course of the shooting that was made of silver coins and duct tape.

During the interview with Detective Schiffelbein, Robert Dear Jr. did provide two email addresses that he had had. The first is [rlcgaz@yahoo.com](mailto:rlcgaz@yahoo.com) and [rlcgaz@gmail.com](mailto:rlcgaz@gmail.com). Robert Dear Jr. had indicated that he had utilized this computer and sent messages and posted things online in reference to his views against abortion and the Federal Government. He did advise that he no longer used the Gmail e-mail address.

During the interview Robert Dear Jr. he indicated he had posted messages to the webpage of Paul Hill, and further advised Robert Dear Jr. was somebody he thought very highly of because of the actions he (Paul Hill) had taken against the abortion provider.

Detective Schiffelbein determined that Paul Hill had been convicted of murdering an abortion provider, Dr. [REDACTED] in Florida in 1994, as well as the bodyguard for Dr. [REDACTED]

Additionally, Robert Dear Jr. stated he had committed acts against an abortion clinic previously in South Carolina. He advised he had gone to an abortion clinic and placed superglue in all the door locks of the clinic so they could not get into the building, and he had at least stopped any abortions from occurring that day at that abortion clinic.

Robert Dear Jr. told Detective Schiffelbein he was happy with what he had done because his actions on November 27, 2015 ensured that no more abortions would be conducted at the Planned Parenthood facility in Colorado Springs.

Robert Dear Jr. also told Detective Schiffelbein he believes that President Barack Obama is the "antichrist" and referred to Biblical passages that he believed supported his view points. At numerous times during the interview Robert Dear Jr. recited verses from the bible.

Video surveillance footage was obtained from the Planned Parenthood building. In this video, Robert Dear Jr. is seen on the video shooting [REDACTED] and [REDACTED] with a SKS type rifle. This video also shows Officer [REDACTED] when he sustains the gunshot wound and dies. The account provided by Robert Dear Jr. matches the video footage for each of these individuals.

In addition, after the initial shooting of [REDACTED] and [REDACTED] Robert Dear Jr. is seen shooting out the glass portion of window to an employee entrance door. Robert Dear Jr. then enters the building for a short period of time, and then returns to his Toyota Tacoma in the parking lot and retrieves more items and takes them into Planned Parenthood. Robert Dear Jr. then exits the building again and goes to his Toyota Tacoma and is seen setting up propane tanks in the parking lot near another vehicle.

W [REDACTED] F [REDACTED], DOB: 02/17/1983, was interviewed by Detective J. Somosky with the Colorado Springs Police Department Homicide Unit. W [REDACTED] F [REDACTED] advised he had gone to Planned Parenthood with his girlfriend, S [REDACTED] W [REDACTED], and her friend, [REDACTED]. W [REDACTED] F [REDACTED] advised S [REDACTED] W [REDACTED] was pregnant and they were going to the Planned Parenthood Facility to terminate the pregnancy of S [REDACTED] W [REDACTED]. He advised that [REDACTED] went with he and S [REDACTED] W [REDACTED] to provide support for S [REDACTED] W [REDACTED]. According to W [REDACTED] F [REDACTED], when they arrived at Planned Parenthood they parked in the parking lot, and as they were getting out of the vehicle, a male on the passenger side of the vehicle made a statement saying they shouldn't have come here today. W [REDACTED] F [REDACTED] advised this male then began shooting and he was shot multiple times, as were [REDACTED] and S [REDACTED] W [REDACTED].

Detective Schffelbein was able to briefly interview S [REDACTED] W [REDACTED], but a full interview has not been able to be completed because of her medical condition. S [REDACTED] W [REDACTED] advised she had gone to Planned Parenthood on November 27, 2015, and when she arrived, she was approached by a male in the parking lot who told her she should not have come to Planned Parenthood and this male then shot her multiple times.

[REDACTED] had gone to Planned Parenthood on November 27, 2015, with his girlfriend [REDACTED]. [REDACTED] had received services at Planned Parenthood, and ultrasound, and [REDACTED] went outside to use his phone after his payment by credit card was rejected, so he could contact his bank. [REDACTED] was outside when he was shot by Robert Dear Jr. At the time the shooting began, [REDACTED] was still inside the Planned Parenthood Facility.

Agent Joseph Cahill with the Colorado Bureau of Investigation conducted an interview with S [REDACTED] B [REDACTED], who is the girlfriend of Robert Dear Jr. She advised that she and Robert Dear Jr. had been together since June 2009. She advised that Robert Dear Jr. had anti-abortion views and had talked about Paul Hill.

A search warrant was obtained for the gmail account of Robert Dear, Search Warrant 15-2023. In reviewing the records for this email account provided by Google for this gmail account, Robert Dear Jr. had sent an e-mail on December 16, 2009 to his son with a link to the website "Army of God." This is a website that states it is for "Honoring heroes who stood up for the unborn." There are links on this website to other websites about Paul Hill and other individuals who had committed acts of violence against abortion providers. The title of this message to Robert Dear Jr.'s son was "Hero."

Additionally, in reviewing the Gmail records for Robert Dear's account, there was communication from Facebook regarding his Facebook account activity, and these e-mails were in 2015. This Facebook page was under the profile name of "Rob L," and the profile photo is a photograph of Robert Lewis Dear Jr. This account is identified by Facebook profile ID number "Rob.1.96."

A search warrant was obtained for the residence of Robert Dear Jr. in Hartsel, Park County, Colorado. During the service of this search warrant Detectives did recover an Asus laptop computer, which is currently in evidence with the Colorado Springs Police Department, under barcode #200886526. An Acer laptop computer was also recovered, and this item is also being held as evidence by the Colorado Springs Police Department under barcode #2009886526.

Robert Dear Jr. told Detective Schiffelbein during his interview that he had previously posted a message on Paul Hill's website, but did not say when.

Robert Dear Jr. told Detective Schiffelbein he had a Facebook page, but had not used it in years. He had also said he used to have a gmail e-mail address, but did not any more. There was activity in 2015 on Robert Dear Jr.'s Gmail account, even though he said it was not active.

Your affiant believes that obtaining the information from the Facebook account of Robert Dear Jr., as well as the two laptop computers recovered from his residence could be of material aid in this investigation. The information contained on these laptop computers and in Facebook records could show past e-mails, messages, contacts, and other communications in which Robert Dear Jr. has communicated his anti-abortion views and further show his motive for this incident. These records could also provide information on other individuals Robert Dear Jr. had communicated with regarding his views regarding abortion.

Your Affiant has checked and verified that the service for the target identified as Rob.1.96 is provided by Facebook Inc.. Your Affiant has received training in conducting investigations involving social networking and cellular communications service providers such as, Facebook Inc.. Your Affiant has personal knowledge that Facebook Inc. will accept service of Search Warrants issued from other states and will comply with orders of the Court to provide records as requested pursuant to provisions of the United States Electronics Communications Privacy Act, 18 U.S.C. § 2703.

Your affiant would respectfully request that pursuant to the Stored Communications Act, Title 18 USC 2703(c), specific and articulable facts have been shown to reasonably believe the target Rob.1.96, Facebook Inc., service provider for which records are being sought is of relevant interest in the offense shown.
