SHERKING
CLERK OF COURT

May 9, 2023

Honorable Judge Werner,

I just wanted to take a minute to tell you how much I appreciated you during the Leticia Stauch trial. I had followed Gannon's case from the day he was reported missing. I think all of us true crime YouTube followers felt like Leticia was exhibiting odd behavior from the very beginning. I could not be more pleased with the jury's decision and your eloquent speech to Leticia upon sentencing. It felt like you took the collective brokenness and pain of all of us and gave us ALL a voice in the sentencing!

I have never written a judge before, but my respect for you, and the way you handled the courtroom over these past few weeks, needed to be expressed. I found comfort in your routine words each day as court began and in the way you kept a tight rein on the proceedings. Thank you from the bottom of my heart!

Sincerely,

Norma Cook
