THE PEOPLE OF THE STATE OF COLORADO v. Defendant(s) LETECIA STAUCH	          △ COURT USE ONLY △ Case Number: 2020CR1358 Division: 15                      Courtroom:
<p align="center"><b>Order:[P-06] Proposed Order People's Motion to Quash Defense SDT to CSPD and CBI for Litigation Packet</b></p>	

The defense voluntarily withdrew her motion as it applied to CBI after she found out that CBI had not done any testing. The materials from the metro crime lab were produced in open Court on June 5, 2020. However, the representative for the crime lab informed the Court that the materials were only current through May 29, 2020 and that testing was ongoing. It is clear that issuance of the defense subpoena created some confusion regarding production of materials. This case will be governed by the normal discovery process set forth in C.R.Cr.P. 16 going forward. Based on actions to date, the Motion is otherwise MOOT.
