ADMINISTRATIVE ORDER 17-11

Order Extending Administrative Order 17-10

---

Due to the Judicial Department not yet receiving a final report regarding the safety of the Archuleta County Courthouse and the intention of the Judicial Department to continue testing on a longer-term basis and because no other safe and suitable location to conduct court business in Archuleta County has been obtained, Administrative Order 17-10 is hereby extended to December 1, 2017. It is hereby ordered that, until December 1, 2017, all Archuleta County County Court proceedings shall be held in the La Plata County Courthouse in Durango, Colorado. If a safe and suitable court facility in the county seat of Archuleta County can be procured prior to December 1, 2017, the Court will transfer all Archuleta County County Court proceedings to that facility. If a safe and suitable court facility cannot be procured before December, 1 2017, this Order relocating the Archuleta County Court proceedings may be extended.

Signed this 6th day of October, 2017.

Chief Judge
