Order Regarding the Peoples Second Notice of Submission of Exhibits in Satisfaction Courts Order Relating to D-47 (P-22) (C-54)	

The Court has previously ordered in regard to D-47, that two brief portions of the defendant's various appearances on the Dr. Phil television program could be shown to the jury so long as the very end of the second video clip wherein the defendant is explaining how photographs were left on the defendant's computer was excised to remove the audience's reaction. See the Court's Order Regarding People's Notice of Submission of Exhibits in Satisfaction of the Court's Order Relating to D-47, filed on May 31, 2019. The Court has now reviewed the second video clip as provided by the prosecution with the People's Second Notice of Submission of Exhibits in Satisfaction Court's Order Relating to D-47 (P-22) filed on June 3, 2019. The Court finds the redacted version of the second video clip from the Dr. Phil television program complies with the Court's orders.
