<p align="center">Amended Courtroom Decorum Order During Trial (C-55)</p>	

Due to the public health emergency caused by the COVID-19 pandemic requiring the number of individuals allowed to be present in the courtroom to be severely limited, the number of attorneys and staff both sides of this case will need to have present in the courtroom as well as the desires of Dylan Redwine’s family to be present in the courtroom during the trial, the heightened level of public and media interest in this case, the inherent right of the press to observe criminal trials, the Court issues the following orders for the trial in this case:

1. This case will be tried in Division 4, the largest courtroom in the La Plata County Courthouse. Normally the capacity of Division 4 according to applicable fire codes is 130 persons. In order to ensure the safety of the jury, witnesses, counsel and their staff, the Court will limit the total number of individuals allowed into Division 4 to 33 persons. Except as otherwise allowed by the Court, all persons shall remain at least 6 feet apart and sit at the locations designated by the Court. Amended administrative order 2020-7, regarding the wearing of facial coverings shall be in effect.
2. The Court will, by separate order, allow expanded media coverage consisting of a single still photographer who shall act as a pool photographer for all media organizations. The current witness room used by the district attorney shall be converted to a media room and the pool photographer shall take all photographs from that room. The Court will also by separate orders, deny the requests for audio and video streaming, broadcasting or recording

by the media. However, the Court will arrange to stream both audio and video of the entire trial after the completion of jury selection via Webex Events. This streamed audio and video content may be captured, re-streamed or broadcast live or at a later date to ensure that the public and media are able to observe the trial.

3. During the public portions of voir dire, there will be 7 seats available for public seating. The Court will not reserve any of the public seating during voir dire.
4. Counsel shall inform the Court as to how many support personnel and family members that they desire to attend the trial and sit in the gallery. The Court shall determine how many seats each side shall receive in the gallery. During the times the Court is streaming the trial on Webex Events, the courtroom shall be closed to the public and only the individuals previously authorized by the Court shall be allowed into the courtroom. Should technical issues prevent the trial from being streamed via Webex Events, the Court will require individuals associated with both sides to leave the Courtroom and open up the remaining seats to the public until the trial is again able to be streamed.
5. With the exceptions listed below, no persons shall enter the courtroom wherein any proceedings in this case are being conducted with any electronic devices, including, but not limited to, computers, cameras, cell phones, video phones, tape recorders, iPads, or other recording or transmitting devices. This provision shall not apply to employees of the Court or the La Plata County Sheriff's Office or to other law enforcement personnel in the LPCC for law enforcement purposes. Nothing in this Order shall prohibit prosecution attorneys or defense counsel and their respective staffs from having these devices, to the extent necessary, to further the prosecution or defense of the case.
6. No interviews shall be conducted within the courthouse. The Court will arrange for an area in the front of the courthouse to be used for the media to conduct interviews. Persons known or identified to be summoned or selected jurors shall not be approached, contacted, questioned, interviewed, or harassed, whether on or off the premises of the La Plata County Courthouse, about their prospective service, qualifications, opinions, or any other matter concerning this case until such time as the summoned or selected jurors have been discharged from jury service. This provision does not restrict any member of the public or press from making inquiries of court personnel regarding the scheduling of proceedings, the filing of papers with the court, or requesting any other information in the public record concerning this case.
7. The media and members of the public may capture images of persons as they come and go from the courthouse, except those persons known or identified to be summoned or selected jurors may not have their images captured. Selected jurors will be given a juror badge, and any such person displaying the badge shall not have his or her image captured. If an image of a person is captured before that person is determined to be a summoned or selected juror, his or her image shall not be displayed, distributed, or identified as a juror.

At all times there shall be clear passage and entry for sheriff's and other emergency vehicles through the parking lots, entrances, and roadways leading to and from the LPCC. There shall be no attempts by any member of the public to contact any juror concerning this case or congregate or linger at any place any juror(s) are likely to be found.
9. No structures or other facilities, whether placed for a single proceeding or intended to remain in place until the conclusion of this matter, shall be erected, and no tents, chairs, tables, and similar items shall be placed on the public grounds of the LPCC or the parking lot or any property belonging to La Plata County except as approved and permitted by the La Plata County Sheriff's Office and Court Executive.
