THE PEOPLE OF THE STATE OF COLORADO v. <b>Defendant(s)</b> MARK ALLEN REDWINE	
<p style="text-align: center;">△ COURT USE ONLY △</p> Case Number: 2017CR343 Division: 1                      Courtroom:	
<p style="text-align: center;"><b>Order Granting the Defendant's Objection to a Portion of Dale Higashi's Proposed Expert Testimony (D-176)</b></p>	

The Court, having now been directed to and having read all appropriate documents previously filed by the prosecution, finds that the qualifications of Dale Higashi, as reflected on his curriculum vitae, show that he is an expert in the field of firearms and toolmark examination. There has been no showing that Mr. Higashi has experience or training concerning how rodents or other animals chew. The Court sustains the defendant's objection to allowing Mr. Higashi to testify that the damaged wire on the earbuds was not consistent with having been caused by rodents.
