THE PEOPLE OF THE STATE OF COLORADO v. <b>Defendant(s)</b> MARK ALLEN REDWINE	<p style="text-align: center;"><b>△ COURT USE ONLY △</b></p> Case Number: 2017CR343 Division: 1                      Courtroom:
<b>Order Regarding D-176</b>	

The Defendant has filed D-176, a motion to strike the expert testimony of Dale Higashi as updated by the prosecution with disclosure of an updated report on June 18, 2020 and supplemented with comparison information on October 21, 2020. Based upon the motion and response, the Court finds the defense was aware of the new opinion by Mr. Higashi with sufficient time to be put on inquiry notice as to the basis of his opinions, but did not receive the comparisons Mr. Higashi relied upon in formulating his updated opinion until eight days before the trial is scheduled to start. The Court has reviewed the original expert report filed in March of 2020 but has not been supplied the disclosure made on June 18, 2020 nor the supplement made on October 21, 2020. The Court needs to be provided with this information prior to issuing any ruling upon the objection. The parties should be prepared to discuss the matter at the status conferences set for October 27, 2020.
