Description of the pooling arrangements required by Chapter 38, Rule 3, Section 5(B), including identity of the designated representatives.

We are requesting clearance for a video camera in the first appearance for Mark Redwine. If any other media has already been approved for a video camera we would let them represent us for pool purposes. If we are granted clearance for video camera we would be willing to be the pool camera.

Certificates of Service: provide the names and contact information, including email address when available, used to serve this EMC request on the District Attorney, counsel for the Defendant and other media organizations involved in this request. Note: EMC requests will not be considered by the Court if service on the parties is incomplete.
