Description of the pooling arrangements required by Chapter 38, Rule 3, Section 5(B), including identity of the designated representatives.

KDVR/KWGN believes the public has a right to know what occurs in the courtroom and that cameras should be allowed inside to enhance public awareness and understanding of the judicial process. While anyone can attend a court hearing, many individuals do not have the time to do so. To document the proceedings, KDVR/KWGN would provide one photojournalist to shoot audio and video of the court proceedings as a single pool camera. We would then share this footage with all other media outlets present.

Certificates of Service: provide the names and contact information, including email address when available, used to serve this EMC request on the District Attorney, counsel for the Defendant and other media organizations involved in this request. Note: EMC requests will not be considered by the Court if service on the parties is incomplete.
