

Chief Judge Order 20-01
Fourteenth Judicial District
State of Colorado

REGARDING THE COLLECTION OF RESTITUTION AND JUDGMENTS IN MUNICIPAL COURT CASES	
--	--

This Chief Judge Order replaces Chief Judge Directive 13-04.

Pursuant to C.R.S. 18-1.3-603(4)(a), any order for restitution entered pursuant to that section shall be a final civil judgment in favor of the state and any victim. It is therefore ordered that the Clerk of Court in Grand, Routt and Moffat Counties, shall accept an Order of Restitution issued by any Municipal Court within their county and enter it as a civil judgment. The Order of Restitution must be duly verified by the Municipal Court Judge or Clerk and filed by the party in whose favor the order was entered. The required filing fee must be paid unless a Motion to Proceed *in Forma Pauperis* is filed by the named victim and granted by the court, unless the Order of Restitution is filed directly by the Municipal Court issuing the Order of Restitution. Execution on the Civil Judgment may proceed forthwith and utilize any of the post-judgment remedies authorized by the County Court Rules of Civil Procedure. The filing fee and any recoverable costs may be added to the outstanding restitution balance, together with interest at the current rate pursuant to the statute.

Dated this 31st day of January, 2020
