Counsel and other interested persons –

As you may know, after January 8, 2019, Judge Garrecht will no longer be hearing the twice-monthly Friday domestic docket in Routt County. This change will result in the following modifications:

1. The twice-monthly Friday domestic docket will be reduced to the morning and will consist of offer-of-proof Temporary Orders Hearings, Initial Advisement of rights Hearings on Citations, and DHS Support and Paternity Hearings only. The docket will be heard by one of the District Court Judges.
2. All initial and subsequent status conferences will be set with the Family Court Facilitator.
3. All evidentiary hearings on contempt citations and temporary orders will be heard by the assigned District Court Judge.
4. All non-contested hearings will be heard by the assigned District Court judge.

Additionally, beginning December 1, Rule 120 hearings will be scheduled with the assigned District Court Judge. Counsel will need to call the Routt County Combined Clerks Office (970-879-5020) for a hearing date/time.

If you have any questions, please contact Clerk of Court Mary Ann Ninger at 970-870-2316 or maryann.ninger@judicial.state.co.us.
