

DISTRICT COURT, ARAPAHOE COUNTY, STATE OF COLORADO 7325 S. Potomac St. Centennial, Colorado 80112	▲ COURT USE ONLY ▲
PEOPLE OF THE STATE OF COLORADO v. JAMES EAGAN HOLMES, Defendant	Case No. 12CR1522 Division: 201
ORDER REGARDING <i>IN CAMERA</i> REVIEW OF UNIVERSITY OF COLORADO RECORDS (C-202)	

At the prosecution’s request, and without objection, the Court conducted an *in camera* review of records produced by the University of Colorado on May 20, 2015. Consistent with Orders C-192 and C-201, the Court finds that most of the records are probative of the culpable mental states required by the offenses charged, the defense of insanity, motive, the credibility of certain witness (including the mental health experts), and the facts and circumstances surrounding the crimes charge. They are also probative of the issues the jury may be asked to consider in a sentencing hearing in the event there is a guilty verdict on a charge of murder in the first degree. Accordingly, with the exception of two records that

contain privileged medical information and that are irrelevant, all of the records produced by the University have been disclosed to the People.¹

Dated this 22st day of May of 2015.

BY THE COURT:

Carlos A. Samour, Jr.
District Court Judge

¹ The Court made two copies of the documents and provided a copy to each party in open court on May 21, 2015. A copy of what was provided is attached to this Order. The original records produced by the University, including the two records that the Court found were privileged and irrelevant (including a disc containing an electronic copy of all the records), have been designated "C-203" and will be kept under seal.
