ADMINISTRATIVE ORDER 12-02	▲ COURT USE ONLY ▲
	Case No.: 12 CV 01 Division 1
ORDER REGARDING ELECTRONIC DEVICES IN JUDICIAL BUILDINGS	

WHEREAS concerns have arisen concerning certain types of improper uses of electronic devices in the court buildings in the Nineteenth Judicial District; and

WHEREAS the Court recognizes the need to have a policy that facilitates normal and proper use of such devices while prohibiting improper uses; and

WHEREAS the Chief Judge of the District is authorized by Chief Justice Directive 95-01 to enter orders of this nature.

THE COURT HEREBY ORDERS:

The use of all electronic devices, including but not limited to cell phones, personal digital assistants (PDAs), laptops, and all devices capable of capturing photos or creating video, is strictly controlled within court facilities. Prohibited uses include all photography and videography including sound recordings, broadcast sound, and broadcast still or moving images. More highly restrictive access in an individual courtroom, if applicable at the discretion of the Judicial Officer, shall be posted at the courtroom entrance.

I. IN ALL HALLWAYS AND PUBLIC AREAS OF JUDICIAL BUILDINGS (ALL AREAS OTHER THAN COURTROOMS):

Electronic devices may be used so long as such use is not disruptive of court proceedings. All devices including cell phones and PDAs must be set to vibrate or silent ring settings and may never be used to capture images, videos, or sound recordings. Use of any type of audio- or video-recording device, including, but not limited to, cell phones, laptop computers, or cameras in the clerk's office, at the clerk's window, or jury assembly room, is strictly prohibited without express consent of the Court. A Judicial Officer may further restrict use and possession of electronic devices that is disruptive of court proceedings or creates a potential danger to anyone in or around our court facilities.

II. IN ALL COURTROOMS:

All electronic devices shall be turned off. The exception to this prohibition is that such devices may be used for note taking, settings, legal research, and use of stored electronic data for court proceedings. Those devices may be used only so long as they are muted and not disruptive of any court proceedings. Any electronic transmission of information from the courtroom is prohibited without express consent of the Court. No person, except court personnel, may make a sound or photographic recording of any proceeding or person including, but not limited to, jurors, witnesses, attorneys, court personnel, or parties. Official transcripts of proceedings may be ordered through the office of the Clerk of Court. A Judicial Officer may further restrict use and possession of electronic devices in the courtroom.

III. EXCEPTIONS:

Exceptions to these rules may be granted solely by permission of a Judicial Officer of the Nineteenth Judicial District.

IV. MEDIA:

Court Facility Access: Members of the media desiring access to the courthouse with cameras or other recording devices shall be required to present a valid media credential or other valid photo identification and official business card at the security checkpoint. With a valid media credential, cameras shall be permitted and may be used in the hallways and public areas of the courthouse. All others wishing to request access to the facility with cameras or other recording devices with the intent to capture any type of photos, video or audio must complete the form provided here as Attachment A to be submitted to the District Administrator in Room 315, 901 Ninth Avenue.

Courtroom Access: Current rules for expanded media access govern the use of cameras in courtrooms. See Rule 2, Chapter 38 of Colorado Supreme Court Rules, Public Access to Records and Information. Additional information including a request form is available at <http://www.courts.state.co.us/userfiles/file/Media/Cameras%20in%20the%20Courtroom%202010%20update.doc>.

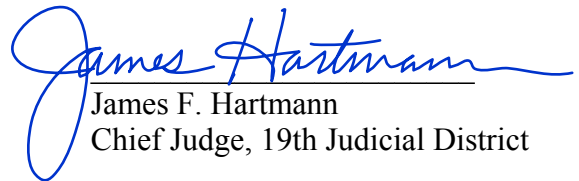

V. VIOLATIONS:

Anyone found to be in violation of the provisions of this Administrative Order is subject to having the electronic device confiscated and may be subject to contempt proceedings. Sanctions may be remedial or punitive, including a fine and/or jail sentence. Upon probable cause to believe that a violation of this order is occurring or has occurred, the court and law enforcement officers are authorized to inspect and prohibit any item they reasonably believe was used in violation of this order or which presents a potential or real physical danger. If any phone, camera, or other electronic device was used or is being used in violation of this order, law enforcement may be summoned and, upon a finding of probable cause, will confiscate such item based on their observations, investigation, or on a credible third-party report of such a violation. Law enforcement shall promptly notify the Judicial Officer assigned to that courtroom and, only at the direction of such Judicial Officer, will examine the item and delete any photos or recordings that were taken in the courtroom in violation of this order. The Judicial Officer assigned to that courtroom shall make a determination as to what sanctions shall be imposed and the disposition of the device.

In all other instances occurring outside of the courtroom, the Weld County Sheriff's Office has the discretion to investigate for any possible violation of criminal law or violation of this Administrative Order. The Sheriff's Office may take no action or, in their discretion, contact the Duty Judge or the Chief Judge for direction as to the appropriate course of action.
