<p style="text-align: center;">COUNTY COURT ADMINISTRATIVE ORDER NO. 22-02</p>	
<p style="text-align: center;">ADMINISTRATIVE ORDER RE: EXPIRATION OF CRIMINAL COUNTY COURT WARRANTS</p>	

THE COURT FINDS as follows:

1. It is in the best interest of justice that all warrants issued in criminal cases by the County Court of Weld County expire after a reasonable period of time. No distinction is made among the causes for the warrants to be issued. A distinction is made, however, among the subject matter of various criminal cases. Therefore, justice demands that warrants in certain types of cases remain outstanding for a longer period of time than in others.
2. The interest of justice is also tempered by the application of this Order to the high volume of cases filed and warrants issued out of the County Court of Weld County.
3. Court Directive CCAO 06.03, entered by the Court on April 24, 2006 on the same topic, was issued with the consent of the Weld County District Attorney. Since that date, the District Attorney of Weld County has revised his policy on warrants. The Weld County District Attorney agrees that warrants will reissue pursuant to this County Court Administrative Order.

IT IS THEREFORE ORDERED:

1. All warrants issued by the Weld County Court in misdemeanor and traffic cases identified in subsection (a) through (f) of this Order shall expire on the 15th day of the month in **10 years from the date on which it was issued**. The office of the Clerk of the Combined Court of the 19th Judicial District shall reissue warrants before the 15th day of the month by authorization of the District Attorney of Weld County for one additional 10-year period from the date on which it expires in cases in which any of the following charges are pending, or to which a plea of guilty or no contest has been entered, as the statutes and/or their citations may be amended hereafter:

Weld County, regardless of the reason for the issuance thereof.

4. The Office of the Clerk of the Combined Courts of the 19th Judicial District will prepare and forward monthly to the Office of the Weld County District Attorney a report of all cases with warrants issued by the County Court of Weld County scheduled to expire between 90 and 105 days thereafter that do not contain any of the charges in Sections (A) through (F) above. Such report shall contain the case number, defendant's name, the expiration date of the warrant, and any other information readily reportable from the warrant. At least 5 days prior to the expiration date of the warrant, the Office of the District Attorney may file a Motion to Reissue Warrant for such additional period of time and in such cases as the District Attorney deems just, not to exceed the maximum amount of time for which the warrant was originally issued.

7. Nothing in this Order shall result in the vacating of a conviction to any charge, or shall affect a sentence imposing fines, costs, and/or an Order for Restitution.
8. If the Court finds the case qualifies for automatic sealing pursuant to C.R.S. § 24-72-705, and it does not include an offense listed in the Victim's Right's Act pursuant to C.R.S. § 24-4.1-302, an Order to Seal will be issued.

10. This Order applies to all warrants scheduled to expire on or after November 15, 2022.
11. This Order replaces County Court Administrative Order 12-01. County Court Administrative Order 12-01 issued March 30, 2012 is hereby vacated.
