Description of the pooling arrangements required by Chapter 38, Rule 3, Section 5(B), including identity of the designated representatives.

KCNC is petitioning the court for one photographer with a standard camera, including camera-mounted audio, and a seat for one reporter with note-taking technology (phone or laptop). We are also requesting live streaming permission back to the Denver television stations for possible internet usage. If granted, KCNC will serve as pool for audio and video for the rest of the local television stations.
