Description of the pooling arrangements required by Chapter 38, Rule 3, Section 5(B), including identity of the designated representatives.

The Associated Press would like permission to record the Webex video of Mr. Alissa's preliminary hearing for broadcast use and permission to take still images of the video for use with our story on the hearing. If the sealed motion to limit public access to the hearing is granted and that prevents the public from attending the hearing in person, The Associated Press also requests permission to have a still photographer in the courtroom for the hearing to provide photos to any interested media outlet.
