The CHECKERBOARD WEB SITE is a single point-of-entry web site providing free, 24/7 "one-click" public access for all forms, statutes, rules, instructions, flowcharts, and videos for each of over 50 different types of Colorado civil cases. The CHECKERBOARD seamlessly connects users with free access to over 160 different web sites, ranging from the Colorado's state judicial web site, to Colorado Legal Services, to the Law Library of the Library of Congress. In some areas, the CHECKERBOARD includes automated form-filling software (A2J/HOTDOCS), and will eventually accommodate electronic filing of court documents by the public when that becomes available in Colorado.
