<p style="text-align: center;">PETITION FOR REVIEW OF FINAL ACTION OF BALLOT TITLE SETTING BOARD CONCERNING PROPOSED INITIATIVE 2021-2022 #101 (“CONCERNING LIQUOR LICENSES”)</p>	

Petitioners Steven Ward and Levi Mendyk, thorough undersigned counsel, hereby petition this Court pursuant to C.R.S. § 1-40-107(2) to review the actions of the Ballot Title Setting Board (“Title Board”) with respect to jurisdiction to set title for Proposed Initiative 2021-2022 #101.

STATEMENT OF THE CASE

A. Procedural History of Proposed Initiative

Proposed Initiative 2021-2022 #101 was filed with Legislative Council on March 22, 2022. The Title Board conducted an initial hearing on the initiative and set ballot title on April 20, 2022. After the initial hearing, Petitioners filed a Motion for Rehearing challenging the Board’s actions on the grounds that the measure did not constitute a single subject and the Board failed to set a clear title. A rehearing took place on April 28, 2022, and the Petitioners’ Motion for Rehearing was denied.

B. Jurisdiction

Petitioners are timely requesting a review of the actions of the Title Board by the Supreme Court pursuant to § 1-40-107(2), C.R.S. (2021).

As required by § 1-40-107(2), C.R.S. (2021), attached to this Petition for Review are certified copies of (1) the final copy of the Proposed initiative as submitted to the Title Board; (2) the determinations by the Title Board at its initial

hearing on the Proposed Initiative on April 20, 2022; (3) the Fiscal Summary for the Proposed initiative prepared by the Director of Research of the Legislative Council of the General Assembly pursuant to §1-40-105.5(1.5), C.R.S. (2021); (4) the Motion for Rehearing filed Petitioners on April 27, 2022; and (5) the determinations by the Title Board at the rehearing on April 28, 2022.

GROUND FOR REVIEW

Petitioners respectfully submit that the Title Board erred as follows:

1. The Title Board erred in its finding that Proposed Initiative 2021-2022 #101 constitutes a single subject.

Proposed Initiative 2021-2022 #101 has separate and distinct purposes. First, the initiative caps the number of beer and wine licenses a licensee can hold. Secondly, it changes the hearing processes for local license authorities by creating a new license process. Finally, it creates new distancing requirements that are not properly connected.

2. The Title Board failed to set a ballot title that properly describes the central features of the proposed initiative.

The ballot title as set by the board omits a number of elements which would be useful to voters in evaluating what the initiative does. The following elements are missing and should be included in the ballot title:

- A description of the new licensing process
- A description of the total maximum number of licenses allowed

PRAYER FOR RELIEF

Petitioners respectfully request that, after consideration of the parties' briefs, this Court determine that the titles are legally flawed, and direct the Title Board to correct the title to address the deficiencies outlined in Petitioner's briefs.

Respectfully submitted this 5th day of May, 2022

COLORADO TITLE SETTING BOARD

IN THE MATTER OF THE TITLE AND BALLOT TITLE AND SUBMISSION CLAUSE
FOR INITIATIVE 2021-2022 #101

MOTION FOR REHEARING

On behalf of Steve Ward and Levi Mendyk, registered electors in the State of Colorado, the undersigned counsel, hereby submits this Motion for Rehearing of the Title Board's April 20, 2022, decision.

1. The Board lacked jurisdiction to consider the initiative because Proponents were required to resubmit the Initiative for review and comment.

After review and comment proponents changed the licensing process. In section 2. 44-3-410.5 (4) applicants must now wait until after their application is complete at the local licensing authority before they can apply to the state. This is a substantive change that materially deviates from the current simultaneous license application process and affects the regulatory roles and responsibilities of the state and local licensing authorities. Moreover, this change creates a new two-step license application process, which necessarily increases processing time and causes delay for license applicants. This change was not made in response to review and comment.

2. Proposed initiative #101 contains more than a single subject.

The initiative creates a new fermented malt beverage and wine license, caps the allowable number, adds new distancing requirements, and changes the status quo licensing processes. To satisfy the single subject requirement in Colo. Const. art. V, § 1(5.5), the subject matter of an initiative must be necessarily and properly connected rather than disconnected or incongruous. A proposed initiative presents only one subject if it tends to effect or carry out one general objective or purpose; minor provisions necessary to effectuate the single objective or purpose of the initiative may be properly included. Conversely, an initiative violates the single subject requirement where it relates to more than one subject and has at least two distinct and separate purposes. If an initiative advances separate and distinct purposes, the fact that they both relate to the same general concept or subject is insufficient to satisfy the single subject requirement. *Johnson v. Curry (In re Title, Ballot Title, & Submission Clause for 2015-2016 #132)*, 2016 CO 55, ¶ 1, 374 P.3d 460, 462.

3. The measure violates the clear title requirement.

Opponents assert that the titles as set violate clear title as they do not describe the central features of the measure including:

- In parity to opponents' own measures, the board should not include distance requirements in one measure while omitting them from other measures (*see* Section 4. 44-3-301 (12)(a.5))
- In parity to opponents' own measures, the board should not include effective dates in one measure while omitting them from other measures. (*see* Section 2. 43-3-410.5)
- A description of the new licensing process
- A description of the maximum number of licenses allowed when combining new licenses and existed fermented malt beverage retailer licenses.

Respectfully submitted this 27th day of April, 2022.

Initiative 101

Fiscal Summary

Date: April 19, 2022

Fiscal Analyst: Anna Gerstle (303-866-4375)

LCS TITLE: CONCERNING LIQUOR LICENSES

Fiscal Summary of Initiative 101

This fiscal summary, prepared by the nonpartisan Director of Research of the Legislative Council, contains a preliminary assessment of the measure's fiscal impact. A full fiscal impact statement for this initiative is or will be available at www.colorado.gov/bluebook. This fiscal summary identifies the following impact.

State revenue. By creating a new beer and wine off-premises retailer liquor license and limiting the new licenses to 12 per retailer, Initiative 101 will increase fee revenue paid to the Department of Revenue by a minimal amount. Grocery stores that convert their current beer license to a new beer and wine off-premises retailer license will pay a license conversion fee, and generally, other licensing fees will be similar to the fees currently paid for a license.

State expenditures. Initiative 101 will increase workload for the Department of Revenue to create the new beer and wine off-premises retailer liquor license, process license conversions, and conduct enforcement.

Local government impact. Similar to the state impact, Initiative 101 will increase fee revenue and workload for local liquor licensing authorities to create the new license type and process license conversions.

Economic impacts. While Initiative 101 may change the number and type of liquor licensed locations, the overall volume of alcohol sales is not expected to change significantly. The measure may also shift income and employment opportunities across different retailers.
